Directory of all Members

Note—All members marked with an Asterisk were active in the chapters during 1920-1921.

Addresses not enclosed in brackets are correct this year. Addresses enclosed in brackets were either checked by the member himself in 1920 or sent in by other members as correct during the past year. Most of these later addresses are probably correct.

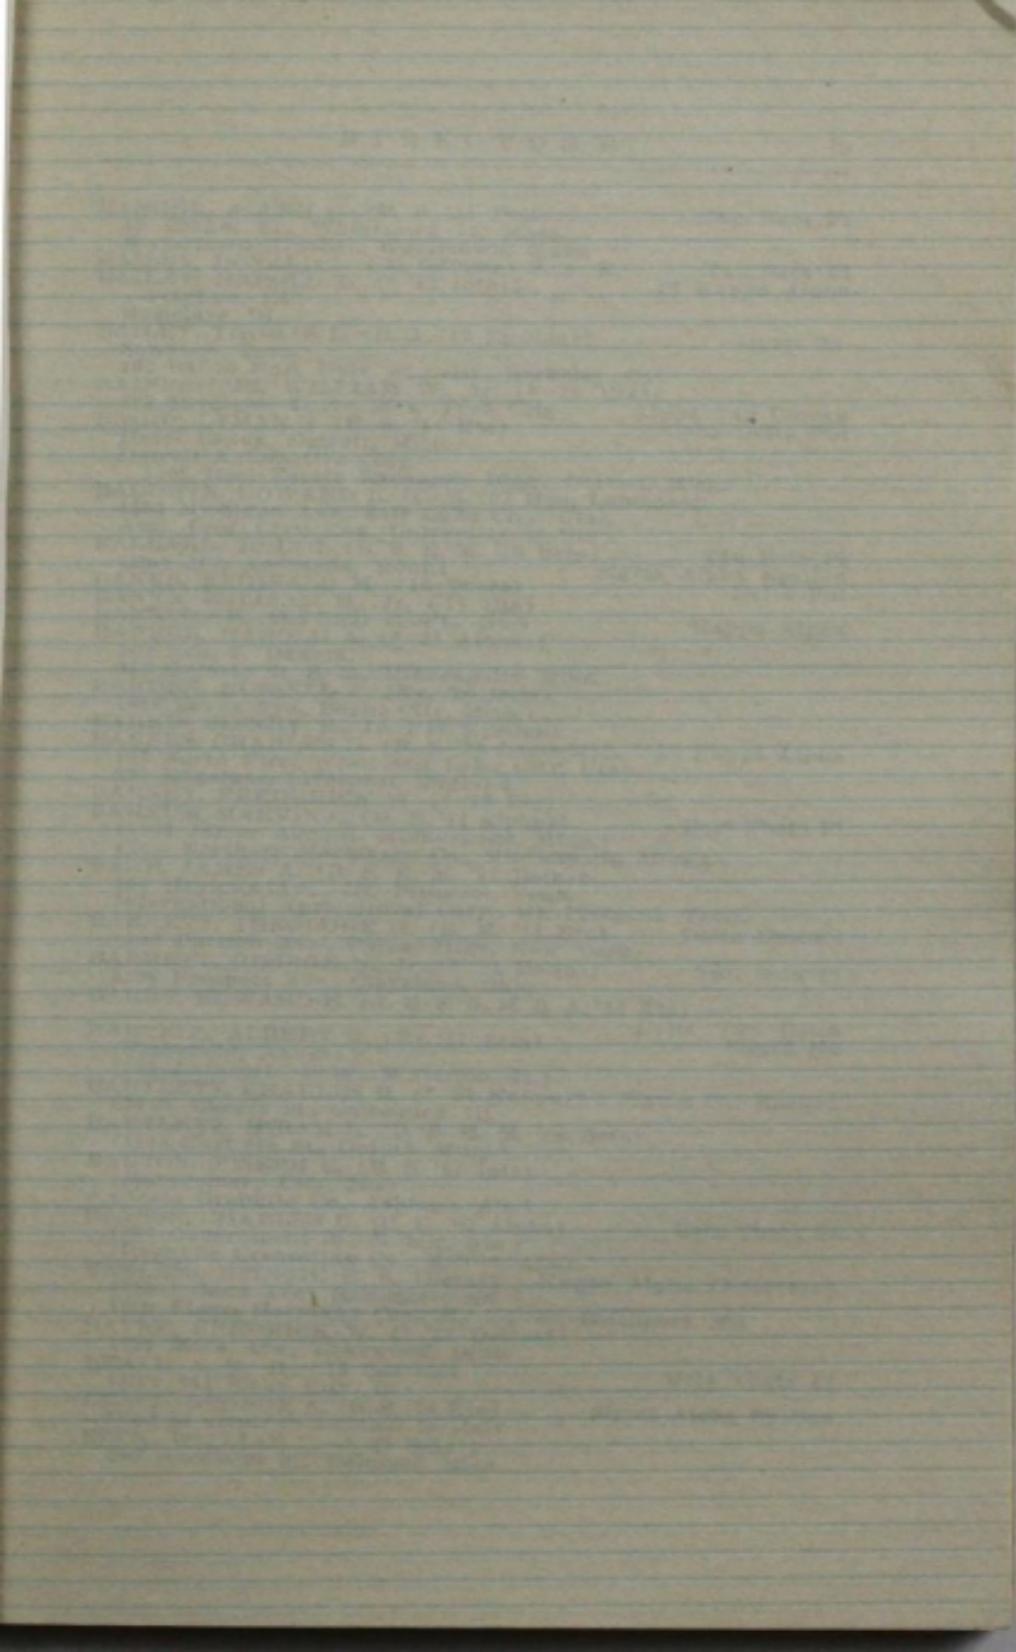

Many of the addresses which were listed in the 1920 Gear had not been checked for more than two years. Inasmuch as four letters failed to bring any reply from such addresses they have not been listed this year. Please send in any corrections of which you may have knowledge.

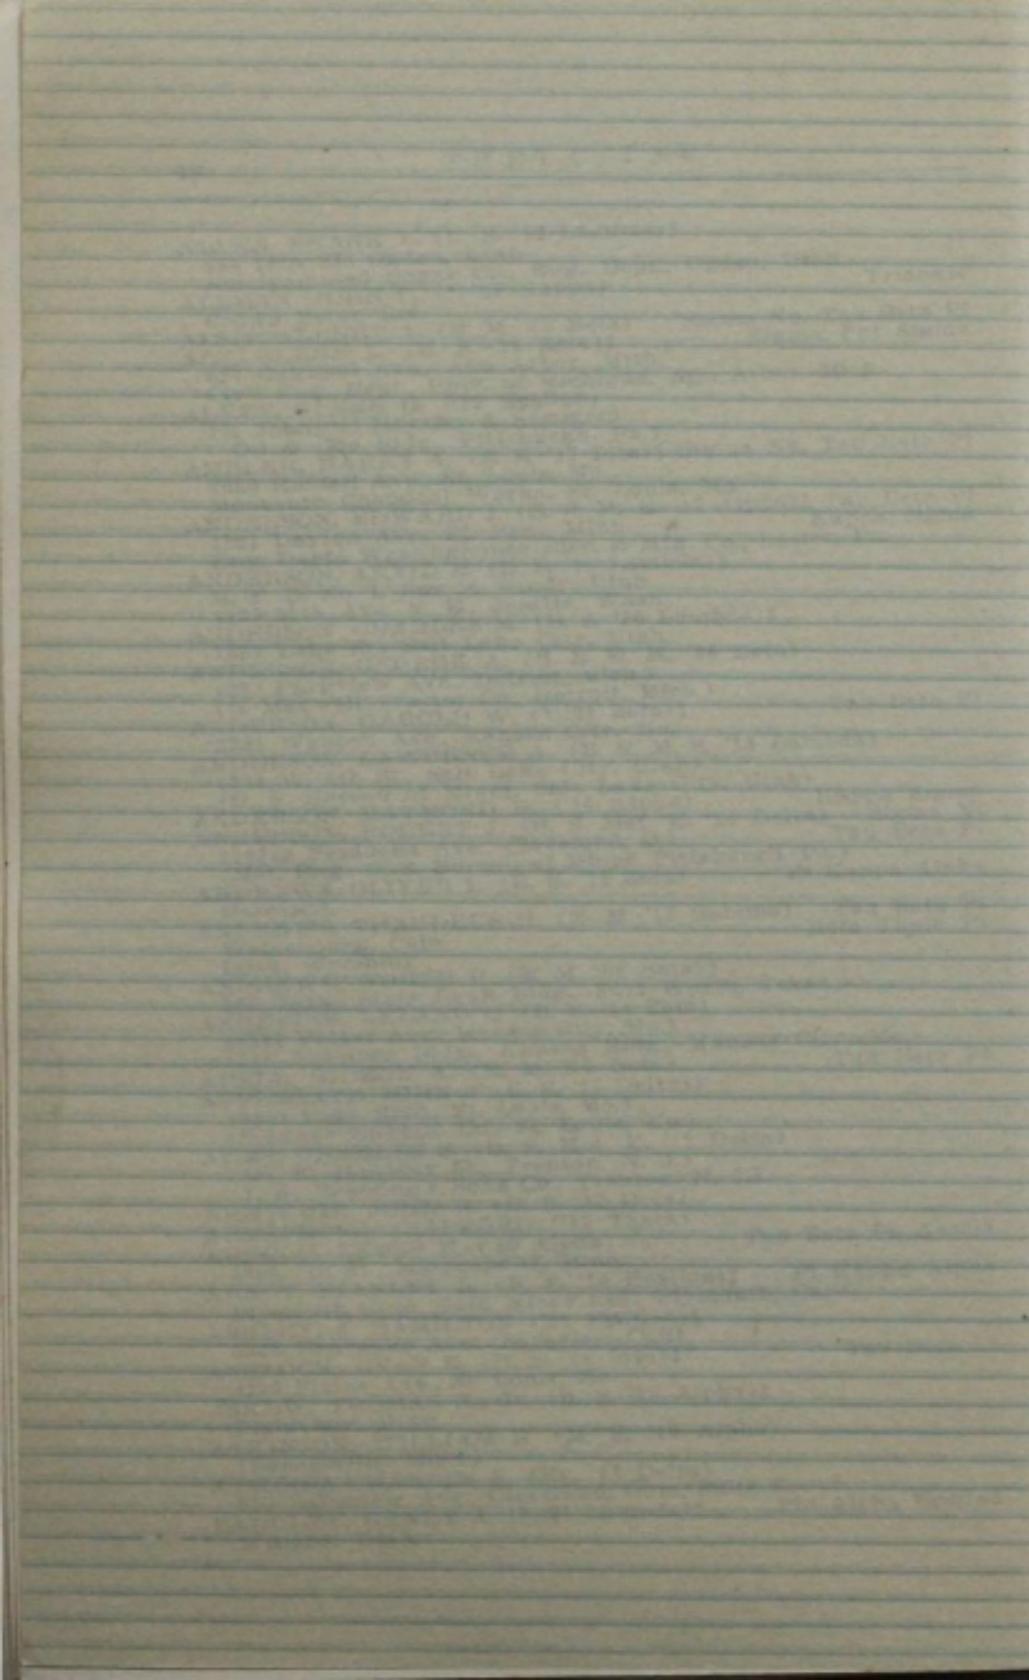

Where two addresses are listed the first is the permanent or home address.
