PROGRAM FOR THE DAY

Epsilon Nu Gamma was organized as a Professional Engineering Fraternity on February 7th, 1962 at the University of Washington under the direction of Roy A. McCready along with the aid of Jay N. Thorpe and the Pacific Northwest Alumni Association. A petition was made in December for affiliation with Theta Tau Fraternity.

As a result of the Twenty-Fourth Biennial Convention of Theta Tau Fraternity held in Louisville, Kentucky, this petition was approved.

Epsilon Nu Gamma looks forward with enthusiasm and expectation to association with Theta Tau.

## THETA TAU SONG

Our H and T we cherish thee and ever in our memory,

we keep thy signs and symbols fast,

stored up midst loved things we've amassed.

The Hammer and the Tongs and Gear, these emblems

we held dear

And our good fraternal law we live and Theta Tau. . .

### CHORUS--

Come all Theta Tau men

Drink the Toast again . . .

Here's to our brothers still young in years

Here's to our alumni, our real engineers

every one be merry

What if the world seems wrong

we'll each help the other, we're each

some ones brother

In good old Hammer and Tong.
